

DAHLE GUILLOTINES

PREMIUM SERIES

Dahle takes safety to a whole new level with its line of Premium Guillotines. Designed and manufactured in Germany, these trimmers feature a revolutionary safety guard that rotates around the cutting blade to ensure complete protection. This guard protects your fingers from a ground blade made of German Solingen Steel. The blade sharpens itself with each and every cut so you're guaranteed to maintain a perfectly honed edge. The automatic safety shield, along with the razor sharp blade it protects you from, makes the Dahle Premium Guillotine one of the safest, most capable trimmers ever developed.

Dahle Premium Guillotines are commercial grade, high capacity paper cutters capable of trimming up to 35 sheets of paper at a time as well as mat board. The automatic paper clamp provides even pressure along the entire cutting surface and securely holds your work in place to prevent fanning.

Dahle Premium Guillotines are available in 14", 15", 21" and 27" cutting lengths and are the preferred choice among picture framers, print shops, and copy centers.

PREMIUM SERIES

- ▶ Revolutionary safety guard covers the blade throughout the entire cutting process
- ▶ Innovative spring system prevents the blade from flying up or falling down unexpectedly
- ▶ Cuts up to 35 sheets of paper at a time
- ▶ Ground self-sharpening cutting blade maintains a perfectly honed edge
- ▶ German engineered for precision and accuracy
- ▶ Automatic paper clamp holds work securely (561-565)
- ▶ Sturdy metal base with preprinted guides

Dahle trimmers are designed and manufactured in Germany offering extreme precision and accuracy.

Revolutionary safety guard rotates around the blade throughout the entire cutting process.
