Statement: Compatibility of Delica Café Royal Pads with the Nespresso® Professional machines

We hereby confirm that the coffee pads of the "**Café Royal**" brand and generally the pads produced by **Delica**, are fully compatible with the following Nespresso® Professional machines: **Gemini, Zenius, and Aguila**.

These pads have been specifically developed to meet the technical and quality requirements of the "Nespresso® Professional" system, ensuring optimal performance and the highest quality coffee experience.

For any further questions or technical details, please do not hesitate to contact us.

Best regards,

Laura Sofia

Head of R&D Capsules Stabio
